

TDK COMMERCIAL ADVISORS
is pleased to announce

Philadelphia PA: TDK Associates is pleased to have represented 200 Mall Associates in the sale of 200 Mall Boulevard, King Of Prussia Pa. This 17,000 SF was famously known as the Kremer Eye Surgery Center for many years, where Lasek eye surgery was invented.

The property, located across from the King Of Prussia Mall, went through a customized and creative sales and marketing campaign that attracted great interest.

PA Dermatology Associates acquired the property for an undisclosed price and will be completing renovations.

The buyer was represented by JLL's Matt Davis and Patrick Grenko.
