

A 17,000-square-foot building at 200 Mall Blvd. in King of Prussia, long known for its owner and occupant, Kremer Eye Center, sold for \$2.57 million to Pennsylvania Dermatology Partners. Tom Kramer of TDK Associates represented the seller while Patrick Grenko and Matt David of JLL represented the buyer. Kremer moved to 1018 W. Ninth Ave. in King of Prussia. The buyer, which now occupies space off Allendale Road, saw this as a growth opportunity, Grenko said.
