

TDK COMMERCIAL ADVISORS
is pleased to announce

Philadelphia PA: TDK Commercial Properties announces the expansion of its national tenant representation practice with the completion of several new transactions on behalf of Beacon Hill Staffing Group. In San Diego, California in conjunction with CBRE, TDKCA helped Beacon Hill open their first office in the UHC District.

The new office will be approximately 4,000 sf and should be open by Q3. This was a difficult transaction to negotiate in what is one of the strongest markets in the country but we were able to secure a top-notch space for the client.

In Glenview Illinois, just outside of Chicago, in conjunction with JLL, TDKCA was able to secure a new office of 3,000 sf for Beacon Hill. This will be the first office for the company in the area and should be open by Q3. Thomas Kramer, President of TDKCA commented that *"we are pleased to continue on building on our relationship with Beacon Hill across the country. We have helped them establish a good real estate process and save considerable time and money."*
